ETER NADA LASSOUED

WEB DEVELOPER- SOFTWARE DEVELOPER

BIO

As a Web Developer, my high school IT major laid the groundwork for my career. Diverse studies led me back to my true calling: programming. I'm committed to developing web solutions that are both innovative and user-friendly.

EDUCATION

CS50 CERTIFICATE

Harvard university/ cambridge, massachussets
2023

HIGH SCHOOL DIPLOMA MAJORED IN IT
2020

EXPERIENCE

Podcast Channel Blog :

- **Developed a frontend blog to enhance the online presence of a podcast channel, focusing on user engagement and content accessibility.**

Library & School Supplies E-commerce Website :

- **This is my final project in cs50x, a comprehensive e-commerce platform for school supplies, enhancing the shopping experience with a seamless blend of literary and educational resources.**

National start up :

- **This is a comprehensive frontend website for national cultural and youngsters organizations. It is created in smooth way so that the targeted audience can easily access and discover avaible cultural activities for them around their areas.**
